The screenshot displays a software interface for creating a book cover, divided into three main sections: a main workspace on the left and two side panels on the right.

Main Workspace:

- Top Panel:** Contains a "LOGO" label and two empty rectangular boxes for text or images.
- Bottom Panel:** Features a small image of a red sailboat on the left and a large empty rectangular area for the main cover design.

Left Side Panel (Metadata Table):

This panel contains two identical tables for entering book information. Each table has a header row with a square icon, a minus sign, a star, and another star.

Icon	Field 1	Field 2	Field 3	Field 4
1	[] []	(2010-3-15)	
2	[] []	(2010-3-15)	
3	[] []	1200 ()	(2009-9-5)
4	[] []	" "	(2009-9-5)
5	[] []	1	(2009-6-27)

Right Side Panel (Design Elements):

This panel displays various design elements for the book cover, organized into sections with headers. Each header row contains a square icon, a minus sign, and a star.

- Section 1:** Header: - ☆ ☆. Elements: ○◇□□□◇○.
- Section 2:** Header: - ☆ ☆. Elements: ○◇□□□◇○, ○◇□□□◇○.
- Section 3:** Header: - ☆ ☆. Elements: ○◇□□□◇○.
- Section 4:** Header: - ☆ & ☆. Elements: ○◇□□□□◇○, ○◇□□□□ ◇○, ○◇□□□□□◇○.
- Section 5:** Header: - &. Elements: □□□□-☆□□□□☆, □□□□-☆□□□□☆, □□□□-☆□□□□☆.

The interface includes a scroll bar on the right side of the design elements panel and navigation buttons (back, forward, and search) at the bottom right.
